Dear Staff and Pupils Futures Community College,

Thank you for raising a wonderful £380.85 for Fair Havens Hospice. Because of your support, we can focus on the individual needs of the patients we care for, as one of our nurses at Fair Havens, Louise, explains:

*"When people come into the hospice, if there is anything we can do to make them happy we will do it. We'll have a laugh and a joke with them and encourage them to do as much as they possibly can. We've had weddings here, a young lady had a goal to make it to her daughter's 13<sup>th</sup> birthday so we had a tea party for her and decorated all the room and that's what 'Making every day count' is. We're trained with the holistic approach to look after a patient's overall well-being, physically, psychologically and socially. Here, everyone gets treated as a person."*

You make that possible.

I don't know what we'd do without people like you. Thank you.

With best wishes,
