Dear Parents / Carers

Re: School Photographs

Please be advised that after the Easter Break on 12 April 2016 we have invited Van Cols Limited a Photography Company to visit us to take the annual formal photographs of your children.

Each child will have the opportunity to have their photo taken and should you have siblings in the school, they will also take a family photo for you. Should you like to take up the group option, please complete the form below.

In addition to the individual photos, Year 11 students will also be photographed as a whole year group, form class groups and prefect groups. These are extra special of course as they will be the last school photos that they have.

Full details on prices and how to purchase the packages will be provided when the proof photos have been printed and delivered.

As a reminder, as per the school guidelines, all students must be in full clean, smart uniform including their ties and blazer and formal black flat shoes.

Yours faithfully

Mrs Dawson
Office & Medical Manager
